**GOKONGWEI BROTHER'S FOUNDATION SCHOLARSHIP PROGRAM
ORIENTATION AND PROMOTION-TEACHSTEM
SCHOLARSHIP PROGRAM**

Attached is a letter from the Gokongwei Brothers Foundation (GBF).

The GBF will conduct an onsite Scholarship Orientation and Promotion for the TEACHSTEM SCHOLARSHIP PROGRAM on the week of June 5-9, 2023 at various schools in the Region.

The activity aims to secure at least 100 scholar applications (undergraduate and graduate) in the region.

The target participants are classroom teachers, principals/school heads, supervisors, coordinators, and department heads from both public and private schools.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.

More information may be inquired from:

Re: Gokongwei Brothers Foundation's
REQUEST FOR SCHOLARSHIP PROGRAM ORIENTATION AND PROMOTION - TEACHSTEM
SCHOLARSHIP PROGRAM

Greetings from Gokongwei Brothers Foundation (GBF),

From 2019 up to the present, GBF has supported more than 244 college students and 133 public school teachers in the country through its **TEACHSTEM SCHOLARSHIP PROGRAM**. This scholarship program for undergraduate and graduate education students aims to develop and strengthen the quality of educators who will be STEM champions in their communities and to equip future learners to contribute to nation-building.

We are targeting to secure at least 100 scholar applications (undergraduate and graduate) from your region.

In line with this, *we would like to request for an endorsement* so that we may be able to conduct an **ONSITE** orientation to the schools and institutions in your region on the week of **June 5 to 9, 2023**. We would also be glad to conduct an orientation to your office, if necessary.

We would like to invite the following:

1. Undergraduate students taking up Education courses specializing in STEM, General Education, and Technical Vocational Teacher Education;
2. Graduate students taking up Master of Arts/Science in Education majoring in STEM, Special Education, Non-Formal Education, and Technical Vocational Education;
3. Faculty members teaching either in the K-12 or undergraduate programs who have yet to take or finish their master's degree; it can be from your institution, but we would appreciate if you can also invite K-12 teachers from the schools within the proximity of your institution.
4. Members of the Admissions or Scholarships Office of the University;
5. Representatives from senior high schools or elementary schools who may benefit from our scholarship program.

We understand that your office has many important priorities and commitments, and we are grateful for your willingness to consider our request. We will appreciate it if you can confirm by **May 31, 2023 (Wednesday)**.

You may also visit our website at www.gokongweibrothersfoundation.org for more details on the scholarship programs or reach us through the following contact details:
