Dear Dr. Fetalvero:

The Department of Science and Technology-Science Education Institute (DOST-SEI) would like to inform you of the new project of the institute entitled "**Conveyance of STEM Resources for Inclusive Development.**" This is a capacity building and promotional activity of the DOST-SEI which intends to bring innovative STEM training and educational resources to municipalities that are seldom reached by educational interventions.

The project generally aims to strengthen STEM education and appreciation of STEM among teachers and elementary students at selected schools for inclusive development. The project will be implemented in the three pilot regions - Region I, Region VIII, and Region IX.

To help us conceptualize a training design that is suitable for elementary teachers, we would like to invite **Mr. Ryan Tiu** to a workshop on **June 7-9, 2023**, which will be held in Metro Manila. We will also discuss with him the project implementation scheme and its research component.

To confirm his attendance to the said activity, our staff, *Ms. Lycka Palomo*, will coordinate with your office regarding this request. Also, should there be further queries, she may be reached at mobile number 0995 429 8180 or at email address [seid.trainingunit@gmail.com](mailto:seid.trainingunit@gmail.com).

Thank you and we look forward to your usual support.

Very truly yours,

**JOSETTE T. BIYO**  
Director
