**OBSERVANCE OF THE NATIONAL DISASTER
 RESILIENCE MONTH (NDRM) 2023**

To: Schools Division Superintendents
 Division DRRM Coordinators
 Public and Private School Heads
 All Others Concerned

1. Attached is RDRRMC Memorandum No. 06-007, s. 2023 issued by Lord Byron P. Torrecarion, RDRRMC 8 Chairperson, dated May 30, 2023, informing the observance of the National Disaster Resilience Month (NDRM) under the management of Regional Disaster Risk Reduction and Management Council (DRRMC) - Eastern Visayas through the Office of Civil Defense VIII.

2. The annual observance of NDRM reminds us of the crucial need for collaboration to address Climate Change and Disaster Risk Reduction and Management. This year's theme, "BIDAng Pilipino: Building a Stronger Filipino Well-being towards Disaster Resilience," emphasizes the importance of working together to strengthen the well-being and resilience of the Filipino people in the face of challenges.

3. Relative to this, the Office, through the Education Support Services Division (ESSD), encourages all offices and schools across the region to actively support and promote the observance of NDRM and participate in resilience-building activities.

4. Additional details and information that is consistent with this issuance are stipulated in the attached Memorandum.

5. Immediate dissemination of and compliance with this Memorandum are desired.

SUBJECT : OBSERVANCE OF THE NATIONAL DISASTER RESILIENCE MONTH (NDRM) 2023

DATE : 30 May 2023

Pursuant to NDRRMC Memorandum No. 042 dated 29 May 2023 re "**Observance of the National Disaster Resilience Month 2023**", the Eastern Visayas Regional Disaster Risk Reduction and Management Council through the Office of Civil Defense VIII spearhead the annual observance of the NDR Month.

This annual observance of the NDRM emphasizes the importance of collaborations in addressing challenges of Climate Change and Disaster Risk Reduction and Management. For this year, the NDRM theme is "**BIDAng Pilipino: Building a Stronger Filipino Well-being towards Disaster Resilience**". Coming out the pandemic, the global health emergency emphasized that the most valuable asset in facing such emergency events is the manpower
