Republic of the Philippines
Department of Education
REGION VIII - EASTERN VISAYAS

Advisory No. 099, s. 2023
August 2, 2023

In compliance with DepEd Order (DO) No. 8, s. 2013
This advisory is issued not for endorsement per DO 28, s. 2001,
but only for the information of DepEd officials,
personnel/staff, as well as the concerned public.
(Visit deped.in/region8.deped.gov.ph)

**NATIONAL YOUTH SCIENCE, TECHNOLOGY, AND ENVIRONMENT SUMMER
CAMP (NYSTESC) OF THE PHILIPPINE SOCIETY OF
YOUTH SCIENCE CLUBS (PSYSC) INC.**

Attached is a letter from the PSYSC Inc., announcing the conduct of the
NYSTESC on August 25 – 28, 2023 in Davao Region

The activity aims to heighten the interest and awareness of science clubbers
in a specific field of science through lectures and interactive workshops while
developing their interpersonal skills through interactions with students from
different cultures.

The target participants are junior and senior high school learners, advisers,
teachers, and coaches from the public and private schools of the region.

Participation of both public and private schools shall be subject to the no-
disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 entitled
Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance
Therewith.

For more information, refer to the attachment.

Considering that this is an Advisory, Schools Division Superintendents are
given the discretion to act on this matter.

Evelyn R. Fetalvero
Regional Director, DepEd Region 8

Dear Ma'am Fetalvero,

Greetings from the Science Clubbing Movement!

The **Pambansang Kapisanan ng mga Kabataan Samahan ng Agham (Philippine Society of Youth Science Clubs), Inc.** is a country-wide organization committed to upholding the significance of science clubbing and in promoting public understanding of science, technology and environment. In a span of 52 years, the PSYSC has conducted positive, practical, and realistic activities and programs for elementary and high school students which enhance their academic perspective and their environmental and social awareness.

In this regard, PSYSC will be once again spearheading NYSTESC 2023 with the theme being **Fulgeum: Restoring the Order of the Fractured Lattice** which is scheduled on **August 25 to 28** in **Davao Region**. For this year, we will be focusing on **Materials Science and Engineering**, the discipline anchored on the understanding of materials and its applications to solve real-life problems.

We are humbly requesting your office's assistance for the said event by issuing a **memorandum**, if possible, or a **regional advisory** endorsing and with utmost dissemination of our events to our secondary schools in the region.

Attached here in this email is the letter of our request, a sample draft of the advisory, invitation letter for the schools and the event guidelines. Further details of our event can be found through our Facebook [official page](#) or [event page](#). If it happens that you or other interested schools have further questions, please do not hesitate to direct their concerns to us through email (nystesc2023@gmail.com) or send us a message at 09156789408.

We are hoping for your most positive response.

In the service of the Filipino Youth,

Valerie Anne E. Castillo
Secretariat Head
