Enclosure Regional Memorandum PPRD-2023- 801

**Proposed Policy Implementation Review Guide Questions**

1. Did the policy address the problem or gaps? What problems or issues did the policy address?
2. Are the scope and duration of the policy still relevant? If not, what makes the scope and duration of the policy irrelevant?
3. Did the policy achieve its objectives? If not, what factors hindered its implementation or operationalization?
4. What problem areas have not been covered and addressed by the policy?
5. Is there consistency or conflict of the policy with existing issuances? What issuances are related to having covered the same problem over the past five years?
6. Is the policy still relevant? What makes it or not relevant? Describe the strengths and weaknesses of the policy.
7. Is this policy or procedure being followed properly? Why are implementers unable to follow or implement the policy?
8. Are implementers oriented or trained on the policy or procedure? What do implementers not know about the policy?
9. Is the policy relevant based on current research literature and the current demands of the Department?
10. How can the policy implementation be strengthened in the duration of its implementation?
11. Is the progress monitoring and evaluation mechanism of the policy comprehensive? Are the expected outputs described? Are the success indicators identified? Is the timetable and feedback mechanism established?
12. What policy recommendations or alternatives can be proposed or considered based on the current gaps in the policy?
