Dear Ms. Fetalvero,

Greetings from the E. Zobel Foundation!

The E. Zobel Foundation strongly believes that education is key in the enriching of lives. It provides the necessary skills and mindsets that would help an individual to become a productive member of society and make a positive impact on their family and community. But life-changing, awe-inspiring education is only possible through a great educator. To this, we share your conviction to honor our country's teachers as their impact and influence have truly built our nation.

In our search, we have come to know about the "Global Teacher Prize" – an international search for the best educators and spearheaded by the UK-based non-profit, Varkey Foundation. Through the intervention of our Board, the E. Zobel Foundation partnered with the Varkey Foundation as its marketing partner here in the Philippines. It is our mission to work with organizations such as yours to encourage and work with you in bringing our outstanding teachers to the limelight and be granted international recognition.

May we invite you to a Zoom meeting on March 20, 2024, at 2:00 pm PHT so we can present to you this opportunity? If you have any questions/clarifications, please you may email us at [adrian.vinas@ezfoundation.org](mailto:adrian.vinas@ezfoundation.org) or contact us at +63 917 577 7046.
