RESEARCH SUMMARY
(Using MRAD Style)

[Complete Title of the Study]

[Complete Name of Author/s, Position/s, Name of School, Schools Division]

[Contact number and DepEd email address]

Introduction

This section shall include discussion in the background and rationale, objectives of the study, and the theoretical support (if necessary), and the significance of the study.

A brief review of related literature for Basic Research and a description of the innovation, intervention, and/or strategy for Action Research may be added as supplementary sections.

Methodology

This section shall consist of the research design, participants for the study, data gathering method, and data analysis. The methods for gathering information shall be described and sources of information, both primary and secondary shall also be explained.

Results and Discussion

This section shall take in the discussion of results, conclusions, and recommendations for basic research and discussion of results, reflections, conclusions, and recommendations for action research. The results shall describe what the researcher found out from his/her study and the discussion shall explain the significance of those findings.

References

References shall be cited using APA Style, 7th Edition.

NOTE: The summary must be in a maximum of 5 pages.
