Dear **Director Fetalvero**,

Greetings!

Republic Act No. 11223 or the Universal Health Care Act enshrines the Department of Health's partnership with the Department of Education in developing schools to become healthy settings and promoting health literacy among Filipino learners. With a settings-based approach, schools or learning institutions are recognized to be built environments that can serve as important avenues to deliver population-based health interventions, age-appropriate health education, as well as the implementation of health promoting policies.

As such, the Oplan Kalusugan sa DepEd - Healthy Learning Institutions (OKD-HLI) program was born. The program has reached seven province- or city-wide health systems (P/CWHS) and 30 P/CWHS in the 2022 OKD-HLI pilot and the 2023 OKD-HLI expansion, respectively. With the further expansion of the OKD-HLI program to 46 P/CWHS in 2024, including the Provinces of Leyte and Biliran, there is a need to train provincial implementers to ensure the effectiveness of the implementation of the OKD-HLI program.

In this regard, the DOH Eastern Visayas Center for Health Development would like to invite **Dr. Alejandra Lagumbay**, Chief Education Supervisor, **Ms. Adara Lourdes Luaton**, Nutritionist-Dietitian II, **Dr. Elmer Albert Cuevas**, Dentist III, **Ms. Camelia Nemil**, Nurse II, to facilitate the **Healthy Learning Institutions Workshop 1 (Provincial-Level Training of Trainers)** on **April 15-19, 2024** at **Hotel Lorenza, Tacloban City**.

For further queries, you may contact **Ms. Douna Mae M. Salazar**, **Health Program Officer II**, via mobile at **0945-752-1524**, or via our Health Promotion email address at **doh.healthpromo@ro8.doh.gov.ph**.

Thank you and we look forward to hearing from you!

Sincerely Yours,

EXUPERIA B. SABALBERINO, MD, MPH, CEsE
 Director IV

Dear Director Fetalvero,

Greetings!

Republic Act No. 11223 or the Universal Health Care Act enshrines the Department of Health's partnership with the Department of Education in developing schools to become healthy settings and promoting health literacy among Filipino learners. With a settings-based approach, schools or learning institutions are recognized to be built environments that can serve as important avenues to deliver population-based health interventions, age-appropriate health education, as well as the implementation of health promoting policies.

As such, the Oplan Kalusugan sa DepEd - Healthy Learning Institutions (OKD-HLI) program was born. The program has reached seven province- or city-wide health systems (P/CWHS) and 30 P/CWHS in the 2022 OKD-HLI pilot and the 2023 OKD-HLI expansion, respectively. With the further expansion of the OKD-HLI program to 46 P/CWHS in 2024, including the Provinces of Leyte and Biliran, there is a need to train provincial implementers to ensure the effectiveness of the implementation of the OKD-HLI program.

In this regard, the DOH Eastern Visayas Center for Health Development would like to invite **Dr. Iris Collilhan**, Medical Officer, **Ms. Necla Nedruda** and **Ms. Loreta Gulariza**, DepEd Leyte SDO EPS, **Mr. Antonio Apacible, Jr.**, **Ms. Catherine Villarino**, and **Mr. Michael Bugas**, School Heads, **Ms. Wyrilna Bardillo**, **Ms. Ma. Nella Emberso**, **Mr. Glenn Ohalla**, **Mr. Daniel Keith O. Malquist**, and **Ms. Jeallyn R. Moquia**, DepEd Leyte SDO Nurses, to attend the **Healthy Learning Institutions Workshop I (Provincial-Level Training of Trainers)** on **April 15-19, 2024** at **Hotel Lorenza, Tacloban City**.

For further queries, you may contact **Ms. Douna Mae M. Salazar**, Health Program Officer II, via mobile at **0945-752-1524**, or via our Health Promotion email address at **doh.healthpromo@ro8.doh.gov.ph**.

Thank you and we look forward to hearing from you!
