Dear Regional Director Fetalvero,

In line with the vision of GFMIC as the premier partner in building capacities towards effective Public Financial Management Systems (PFMS), it is continuously engaging in professional development for its members through the conduct of webinars/seminars relevant to public financial management, information and communications technology, and governance.

GFMIC, Inc. envisions all Information Technology (IT) professionals in government to become members of GFMIC, creating a vehicle of convergence with public financial management practitioners in pursuit of effective digital transformation in PFMS. GFMIC understands that the IT experts in government are tasked with everything from facility maintenance to programming services. GFMIC is the perfect professional association for information technology professionals providing enhanced credentials and certifications for continuing professional development, learning opportunities, and networking. GFMIC offers opportunities to members to equip themselves with valuable knowledge, credentials, education, and community required to advance their careers in the digital transformation journey of their respective agencies. At GFMIC, IT professionals in government will have the opportunity to join upcoming conferences, webinars/seminars, networking opportunities, and knowledge sharing.

Therefore, GFMIC invites you to a two-day conference on **August 12 -13, 2024** at the **Cebu Technological University-Main Campus, Cebu City** with a theme: **"Enabling Digital Transformation in Government: Capacitating IT Professionals"**. Following are the topics for discussion: 1.) Digital Competency Framework; 2.) Role of Government IT Professionals in PFM Digital Transformation; 3.) Panel discussion on the Issues and Concerns of IT Professionals in Government; 4.) Cybersecurity Fundamentals; 5.) Information Systems Strategic Planning 101; 6.) Disaster Recovery Plan for IT; and 7.) IT Audit Service from COA.
