Regional Director
Department of Education RO VIII
Gov't. Center, Candahug, Palo
Leyte

Dear Dr. Fetalvero:

Fostering the "I" in AI: Preparing and Adapting in an AI-Assisted World
27 June 2024 | 9:00 (GMT + 8)

Warm greetings from SEAMEO INNOTECH, the Southeast Asian Ministers of Education Organization, Regional Center for Educational Innovation and Technology.

SEAMEO INNOTECH is implementing the project *Fostering the "I" in AI: A Webinar Series on Artificial Intelligence in Education in Southeast Asia* from May to July 2024 through Facebook and YouTube Live. The project aims to enhance one's understanding of AI, explore the latest developments in Artificial Intelligence in Education (AIED), and identify effective methods for integrating these advancements into current educational practices. It also expects to bring together educators, policymakers, and technologists to discuss the advancements and opportunities presented by AI in the educational landscape.

As we continue to explore the transformative potential of technology in education, the Center is gearing up for a face-to-face event regarding the integration of AI in the workplace, industry, and education. In this regard, we humbly request your presence and 5 DepEd Region VIII representatives to participate in the whole-day forum on *Fostering the "I" in AI: Preparing and Adapting in an AI-Assisted World*, which will be held on June 27, 2024, at SEAMEO INNOTECH in Diliman, Quezon City.

Your valuable insights regarding the status of AI integration in education and how learners, as the future workforce, will prepare for and adapt to an AI-assisted world will significantly set the tone for our event. Hence, we look forward to your consideration of this request. Please also expect a call from our office to follow up and confirm your attendance and that of DepEd Region VIII representatives' attendance at the forum.

Should you have any other concerns, your office may contact Mr. Jelico Arriesgado or Ms. Nanami Dumas on telephone number (02) 8924-7681 to 84 local 142 (Jelo) or local 302 (Nami) and e-mail address jelo@seameo-innotech.org or nami@seameo-innotech.org.

Thank you very much.

Very truly yours,

LEONOR MAGTOLIS BRIONES
Centre Director
