Narrative in the specification of LRPO Official Mascot

The mascot symbolizes the Learner Rights and Protection Hotline, otherwise known as the Learners Telesafe Contact Center Helpline (LTCCH). It was established to provide assistance to learners, addressing a wide range of concerns including, but not limited to, abuse, bullying, exploitation, violence, discrimination, and other forms of maltreatment.

Through various communication channels such as email, phone calls, and messenger services, learners can access assistance and guidance in mitigating these scenarios. The concept of the mascot is a chat bubble, signifying open and accessible communication, serving as a reassuring and approachable presence for learners seeking help and support.

Additionally, the mascot's design could incorporate elements that convey trust, empathy, and reliability, aligning with the commitment of DepEd LRPO's mandate in safeguarding the rights and protection of all learners. Thus, it represents hope and support for all learners experiencing various forms of abuse.
