29 JULY 2024

DR. EVELYN R. FETALVERO, CESO IV
Regional Director
Department of Education Region VIII
Government Center, Barangay Candahug, Palo, Leyte

Dear Director Fetalvero:

Greetings!

On July 26, 2024, the Response and Early Recovery Pillar had its 3rd quarter meeting at Hotel Consuelo, Tacloban City. In this meeting, the council discussed important matters that require decisions, support, and involvement from cluster member agencies and partners from the Academe and Civil Society Organizations. The council members agreed to postpone the Joint Information Drive, originally scheduled on July 31, 2024, due to another significant event to be held in Leyte Normal University also..

In this regard, we would like to extend our invitation for you to participate in the **Joint Information Drive**, which will now be held on **August 16, 2024**, at the **Leyte Normal University, Tacloban City**. With the theme "Kabataang Handa at Maaasahan sa Oras ng Sakuna," this event aims to demonstrate our disaster response capabilities to students, teachers, and the general public.

We are requesting a maximum of **five (5) representatives** from your agency to present and exhibit materials that highlight your agency's functions, duties, and responsibilities as a member of the response cluster, along with your Disaster Risk Reduction and Management (DRRM) initiatives. If possible, please bring a table for your materials, as we can only provide one table for each booth at the venue.

Furthermore, may we request the submission of the accomplished **Annex A** via drimfo8@dswd.gov.ph not later than **August 8, 2024** for early registration and assignment of parking space inside Leyte Normal University compound.

Should you have further queries, please feel free to contact our DROMIC Focal Person, Mr. Kenny Rudolf M. Unay through his mobile number 0915-790-1170.

Thank you.

Very truly yours,

GRACE Q. SUBONG
Regional Director
