 Undersecretary for Operations

**SUBJECT :** INVITATION TO THE FIRST TECHNICAL VOCATIONAL EDUCATORS

**DATE :** 09 September 2024

The **National Association of Public Secondary Schools of the Philippines (NAPSSPHIL), Incorporated** will hold the **First Technical Vocational Educators Congress** at **La Carmela de Boracay** from **November 29 to December 1, 2024**. This event aims to enhance the competencies of Technical-Vocational (Tech-Voc) teachers and improve TVET instruction in alignment with Republic Act No. 10647. The law strengthens the ladderized interface between Technical-Vocational Education and Training (TVET) in junior and senior high schools, the Technical Education and Skills Development Authority (TESDA), and higher education institutions, thereby promoting teaching excellence and the advancement of educational practices

Teachers associated with the Department of Education may choose to attend the activity, provided that their participation will not hamper the conduct of classes in schools. The use of DepEd funds is subject to the approval of the respective authorities and contingent upon fund availability, adhering to the usual accounting and auditing rules and regulations.

For more details, please see the attached communication from NAPSSPHIL. If you have further inquiries, kindly send an email at [admin@napssphil.org](mailto:admin@napssphil.org).

Very warm greetings from the National Association of Public Secondary Schools of the Philippines (NAPSSPHIL), Incorporated!

The National Association of Secondary Schools of the Philippines (NASSPHIL), dedicated to enhancing education quality and school leadership, particularly in Technical Vocational Education and Training (TVET), requests approval to conduct the First Technical Vocational Educators Congress at La Carmela de Boracay on November 29 - December 1, 2024. This initiative aims to develop Technical-Vocational teachers' competency and improve TVET instruction, aligning with Republic Act No. 10647, which strengthens the ladderized interface between TVET and in junior and senior high school, TESDA and higher education, excellence in teaching, and improvement of educational practices.

The proposed National Congress for Technical Vocational Education and Training aims to achieve the following objectives:

- a. Enhance the Quality of TVET by providing comprehensive training for Technical-Vocational teachers, and program implementers.
- b. Share and disseminate effective strategies and methodologies in TVET to improve technical-vocational instructional quality and student outcomes.
- c. Encourage collaboration among Technical-Vocational educators, industry partners, and policymakers to align TVET programs with the needs of the labor market.

The congress will feature seminars and plenary sessions focusing on the latest trends and best practices in TVET. It will also have expert-led discussions on curriculum development, instructional strategies, and leadership in technical vocational education. Additionally, there will be interactive training sessions designed to equip participants with the necessary skills to implement effective TVET programs. Networking opportunities and collaborative projects will also be facilitated to foster partnerships and knowledge exchange among educators and industry professionals.

Participants to this congress are teachers from Technical-Vocational Education in Senior High School, Technology Livelihood Education in Junior High School, and EPP - Edukasyong Pantahanan at Pangkabuhayan for Elementary level. We respectfully seek your approval on **OFFICIAL BUSINESS** and full support for this endeavor, which promises to advance the quality and accessibility of TVET for our students.

Thank you for considering our request. We look forward to your favorable response and the opportunity to work together in this important initiative.

Sincerely,

  
DR. WARLITO D. ROSAREAL
