DEPARTMENT OF EDUCATION
OF THE REPUBLIC OF THE PHILIPPINES

Manila

The Ministry of Education of the Russian Federation presents its compliments to the Department of Education of the Republic of the Philippines and has the honor to inform of the following.

Annually, the Ministry of Education of the Russian Federation holds the **largest competitive events of the Championship Movement** in professional skills: the Championship «Professionals» and the **High-Tech Championship**.

The mission of the Championship Movement is to create a social and professional elevator for young people, unlock their potential, form a high culture of professional skills in the field of working and applied professions, transfer professional experience and cultural exchange between participants of the Championship Movement of professional skills, including participants from foreign countries.

One of the most important events of the Championship Movement - the Finals of the High-Tech Championship - will traditionally be held in the City of Veliky Novgorod on September 17 - 21, 2024. The event involves holding competitions in 12 competencies in the main category and 4 competencies in the junior category, the list of which is formed on the basis of the most dynamically developing and promising areas in demand in high-tech production.

In 2023, foreign delegations from 11 countries took part in the Finals of the High-Tech Championship in both face-to-face and remote formats and were represented by competitors, experts and participants of the official program.

An extensive program is provided for participants of the upcoming event, including business, cultural, career guidance, sports and exhibition events. Conferences, round tables, and discussions are planned, including with the

The Ministry of Education of the Russian Federation invites pupils, students, young specialists of the Republic of the Philippines aged from 16 to 35 years, as well as expert mentors to take part in the High-Tech Championship. The list of competencies is enclosed herewith. We also ask you to consider the possibility of participation of representatives of the vocational education system of your country in the business program of the Finals of the High-Tech Championship.

Additional information about this event is available on the official website of the federal operator of the championship movement - the federal state budgetary educational institution of additional professional education "Institute for the Development of Vocational Education" at the link: <https://pro.firpo.ru/meropriyatiya/grafik-finalnogo-etapa/vysokie-tehnologii-en/>.

The Ministry of Education of the Russian Federation kindly asks you to send the contact details of the person responsible for the participation of your country's delegation in the Championship to the e-mail address pro@firpo.ru by September 10, 2024.
