Director Fetalvero:

Greetings of peace and solidarity!

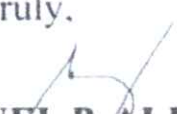

In line with the upcoming Baybay City Athletic Meet 2024, which is slated from October 16 to 19, 2024, we respectfully seek the assistance of medical doctors from the Regional Office and neighboring divisions, particularly from Ormoc, Leyte, and Maasin, to facilitate the required medical examinations of our athletes.

Regrettably, the Schools Division Office (SDO) of Baybay City currently does not have a medical doctor to conduct the athletes' medical clearance. As such, we kindly request your office's support in providing medical personnel to ensure that all our athletes are medically cleared and fit for competition.

We would be truly grateful if your office could extend this assistance in providing medical personnel for this important event. Your continued support will contribute significantly to the successful conduct of the athletic meet.

Thank you very much, and we look forward to your positive response.

Yours truly,

MANUEL P. ALBAÑO PhD, CESO V
Schools Division Superintendent
